How your CityLink System Works

CityLink provides bus service to several communities in the Peoria area. CityLink passengers are using a state of the art transit center located at Adams & Harrison in downtown Peoria. The center has a climate controlled waiting area, covered transfer area and pass sales. Additionally, the center offers bill-pay services for AmerenCilco & Illinois American Water.

**Direct routes to Northwoods Mall*

#3 Parkview, #5 Main, #10 Sterling and #12 Heights will no longer enter into the Northwoods Mall property but will instead allow passengers to disembark and board on Sterling & James Bauman Way.

Seniors and physically disabled are encouraged to take the two direct routes: # 14 Wisconsin and #16 Northwest Express into the mall. These two direct routes can be boarded at the Transit Center in Downtown Peoria. With transferring any CityLink route can lead to the mall.
